The Notice of Finding of No Significant Impact (FONSI) has been forwarded to the Environmental Protection Agency and to various Federal, State, and local agencies and interested parties. A limited number of copies of the FONSI are available to fill single copy requests at the above address. Basic data developed during the environmental assessment are on file and may be reviewed by contacting Robert R. Shaw.

No administrative action on implementation of the proposal will be

taken until 30 days after the date of this publication in the Federal Register.

CENTRAL INTELLIGENCE AGENCY

Privacy Act of 1974; Systems of Records; Annual Publication and Final Notice of Amended Systems

The Privacy Act of 1974 (5 U.S.C. 552a[e] (4)) requires agencies to publish annually in the Federal Register a notice of the existence and character of their systems of records. The Central Intelligence Agency last published the full text of its systems of records at 42 FR 48050, September 22, 1977. Through an oversight, however, an inadvertent omission of a change in record system CIA-42, Library Open Literature Ready Reference File, occurred and was not incorporated into that full text of records systems. This change was published at 40 FR 45325, October 1, 1975. The full text of CIA-42 is provided with this Annual Publication. The September 22, 1977 publication was updated by documents published at 44 FR 4518, January 22, 1979 and 44 FR 21057, April 9, 1979.

A notice of proposed Amended Records Systems was published at 44 FR 65797, November 15, 1979. The public was afforded the opportunity to submit written comments on these proposed amendments by January 7, 1980, but none was received. Therefore, this is the Final Notice of the adoption of the Amended Records Systems. Inasmuch as only the affected portions of the records systems were published in the notice of proposed amendment, the full text of these amended systems, as well as the full text of the new and amended systems published in the other aforementioned documents, appears below.

The full text of the Central Intelligence Agency systems of records as promulgated at 42 FR 48050,

September 22, 1977, also appears in Privacy Act Issuances, 1978 Compilation, Volume III, pg. 741. This volume may be ordered through the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. The price of this volume is \$10.25.

Don I. Wortman,

Deputy Director for Administration.

The level for Category 333/334/335 has been adjusted to account for the remaining 1978 overshipments which amount to 8,813 dozen.
